Regular Scheduled Church Conference
July 16, 2017
7:00 PM

1. Rodney Fazenbaker called the church into conference, and Kevin Prunty opened with prayer.
2. The minutes for the May 21, 2017 Church Conference were reviewed and accepted as amended.
3. Financial Review – Justin Morris
    a. May and June results were presented and reviewed
    b. Financial position of the church is in good order with giving in line with ministry needs
    c. The financial committee is continuing to pay addition on the principle for the Park Sterling loan. The total amount being paid towards principle is between $12,000 and $15,000 per month.
    d. The finance report was approved as submitted.

4. First reading of the 2017-2018 Budget
    a. Justin Morris reviewed each major budget category and addressed those budget line items that had a significant change from the current budget year.
        i. Mission Ministry
            1. NC Baptist State Convention (Cooperative Program). There was no line item budgeted for this, but it will be added once the budget is finalized. This amount will be 10% of our total budget.
            2. $5,000 increase for SPBC Youth Mission Support. These funds will come from a reduction of ½% in our giving to the Greater Gaston Baptist Association. The Pastor explained that fund raising is not a biblically based method of supporting mission ministry. Rather our youth mission trips should be funded by the church, hence the new budget line item.
        ii. Pastor Ministry
            1. Conference expense - $2,250 increase. The Pastor is a strong advocate of attending the Southern Baptist Convention. He has requested funding for this to be included in the budget.
        iii. Children & Preschool Ministry
            1. Children's Outreach – $1,000. increase
            2. Children's Summer Camp $1,000 increase
            3. Vacation Bible School - $500 increase
            4. All of the above is needed due to the growth in this ministry.
        iv. Disciple Life Ministry
            1. Church Leader Training - $5,300 increase. Pastor wants to start disciplining training for lay leaders. The Pastor has requested funding for a training seminar that he and AJ main, along with 3 lay leaders would attend. The plan is to engage lay leadership in the process of implementing the vision disciple making in our congregation.
        v. Administrative/Support
            1. Computer and Network Systems - $1,381 increase. When the Business Administrator left, we engaged an outside firm to manage our network and computer systems. We are paying the amount requested in the budget today. This is simply reflecting the correct amount for the new budget.

2. Financial Service/Audit - $10,800 decrease. We had the financial audit this year, and will plan to have one every four years. The amount in the budget this year of 3,600 is an annual accrual towards funding the cost of an audit in future years.

vi. Building and Grounds

1. No major change in overall budget. Small changes due to normal increases in certain categories.

b. Total proposed budget represents an increase of 1.6% ($19,000) compared to 2016-2017 budget.

c. The second reading of the budget will be on August 13, 2017.

5. Committee Reports

a. Care Ministry Report – Randy Drennan

i. Randy updated the church on the estimates to install bollards in the area in front of the sanctuary entrance facing Horsley Avenue. In the May 21 conference, the church was made aware of the security issue relating to the exposure of the sanctuary entrance to a vehicle assault (either intentional or unintentional)

ii. To have three eight inch bollards installed across the area in front of the sanctuary - two permanently fixed on each end, with the middle bollard being one that could be removed such that intended access could be had to the sanctuary (i.e. maintenance equipment, ambulance, hearse, etc.) would cost $4,100.

1. Larry McGee made a motion that we approve installation of these bollards, with a second by Randy Rowland
2. The finance committee advised that this could be funded from general funds.
3. The church approved the motion.

b. AJ Main reported that the Nominating Committee was almost finished, and that the committee report would be available at the next conference.

c. No Other Committee Reports

6. Old Business

a. Pastor Mike reported on the bathroom remodeling project that was introduced at the last business conference.

i. We have looked into two options for this project

1. Do the project ourselves – at a projected cost of $23,000
2. Hire an outside contractor to do the work – at a cost of $80,000

ii. The Pastor recommended option 1 – do the work ourselves

iii. A motion was put forth by Brad Bowen to add a contingency amount of $3,000 to the projected cost, bringing the total cost to $26,000. Ken Rivera seconded the motion, and the church approved to add the contingency amount to the projected cost.

iv. A motion was made by the Mike Philips (in the role of a member) to authorize the remodel of the bathrooms, at a cost not to exceed $26,000. Ed Lineberger seconded the motion.

1. Discussion ensued.
2. The finance committee advised that funds were available for this project.

3. Pastor Mike advised that if approved, the project will begin immediately.
4. The church approved the motion.

b. The Pastor advised that the Deacons have the results from the mornings balloting regarding two alternate members to sit on the Worship Pastor Search Committee. Ken Rivera, Chairman of Deacons, will be contacting the candidates. Once the two candidates have agreed to serve, the committee will be presented to the church.

8. Calendar Review – Pastor Mike Philips
    a. One correction was made to the calendar regarding the start of Awanas (the calendar had August 27, but the actual start date is September 10)

9. Pastor Report
    a. Additional work has been ongoing regarding the upgrade to the Audio Equipment. The staff is working to finalize this, and will present this to the church once the proposal is complete. The estimated cost for this is in the $50,000 range, which is consistent with earlier projections.
        i. The question was asked if this new system would have a provision for the hearing impaired. The answer was “Yes”.

10. No further business was brought forth.
    a. The next conference is scheduled for August 13, 2017 for the second reading of the budget.
    b. Randy Drennan offered a motion to close, with a second by Ed Lineberger.
    c. Scott Ivey closed with prayer.

Special Called Church Conference for the
2nd Reading of the 2017-2018 Church Budget
August 13, 2017
7:00 PM

1. Ken Rivera called the church into conference, and Jerry Harris opened with prayer.
2. Pastor Mike Phillips reviewed two items that had changed since the first reading.
    a. Under Pastor Ministry – item **504 010 – Pastoral Ministry/Hospitality**
    This is to be used when the church ministry staff take visiting speakers, staff members on special occasions, and other guests to lunch or dinner. We do this today, but we do not have a budgeted line item for this expense, so it was requested to put funds in the budget specifically for this.
    b. Under Building and Grounds – item **550 001 FMC & Sanctuary Expansion**
    It is the recommendation of the finance committee that we budget for the mortgage payment for the FMC and the Sanctuary Expansion. The practice up until 6 months ago, was any funds given specially designated to this purpose were used to make the mortgage payment, and if these gifts exceeded the mortgage payment they went directly to principle.
    The finance committee is recommending that we fund the mortgage payment from regular tithes and offerings, and that any funds given specifically for the FMC/Sanctuary be applied directly to the principle.
    This is a matter of discussion, and confusion at some of our conferences as to just how the funds are used in regards to paying this payment. It is thought that this will be a much more easily understood process. Also, the Pastor noted that we should budget our mortgage payment just as we would budget any other expense. It is an ongoing, regular expense, and as such, we should budget for it.
    As mentioned above, over the last six months, the mortgage payment has been treated as a regular expense, and funds given specifically for the FMC/Sanctuary has been applied directly to the loan principle. So, adding a budget line item is formalizing of our current practice.

3. The floor was open for questions and discussion on the above two matters. No further discussion was had.
4. The floor was then opened for questions and discussion on the budget in general.
5. No questions were brought to the floor.
6. The budget will be presented to the church on Sunday morning, August 27. There will be no discussion at this time, just a vote on whether or not to accept the budget as presented.
7. Ken Rivera entertained a motion to close. Robin Buchannan made a motion, and a second was given by Randy Drennan.
8. Ken Rivera closed with prayer.

Respectfully submitted,

Larry McGee
Church Clerk

Special Called Church Conference
Vote on the 2017-2018 Church Budget
August 27, 2018

1. Rodney Fazenbaker called the church into conference. This was as special called conference for the purpose of voting on the annual budget.
2. Rodney recognized Keith Gunter, Chairman of the Financial Management Committee, who recommended the church approve the 2017-2018 budget for a total of $1,228,821.
3. Rodney noted the recommendation came from the Committee and, therefore, did not need to be seconded.
4. Votes were cast by uplifted hand. The budget was approved. There was one descending vote.
5. Robin Buchanan made a motion to dismiss. Tod Kinlaw seconded.
6. Tom Avagliano closed the conference with prayer.

Respectfully submitted,

Larry McGee
Church Clerk
